

ETIQUETTE, CONTRIBUTION, & OTHER MATTERS

1. Anyone working at/with Super School India will ensure the cleanliness of the Super School India centre, as well as of the other spaces Super School India utilizes for its activities.
2. Anyone working at/with Super School India will ensure the cleanliness of the society in general, and their irresponsible uncleanliness in society may serve as grounds of termination of their affiliation with Super School India.
3. Anyone working at/with Super School India will strive to be helpful to all and to be a team player with other Super School India team members, students, and other stakeholders of Super School India.
4. Anyone working at/with Super School India will strive to be helpful to all members in society, wherever humanity demands/expects it.
5. Anyone working at/with Super School India will not engage in any physical contact with Super School India students and students of Super School India's partner schools. The only acceptable forms of physical contact are high-fives and fist-bumps.
6. Anyone working at/with Super School India will ensure the safety and general maintenance of the Super School India centre and of Super School India's properties.
7. Anyone working at/with Super School India will keep all matters relating to any particular religion, race, cast, or/and political community outside of their affiliation with Super School India.
8. Anyone working at/with Super School India will strive to hold respectful discussions in Super School India and during Super School India-related matters, keeping in mind the gender, religious, racial, caste-based, sexual orientation-based, and other identity-based sensitivities of other Super School India team members (staff, students, volunteers, and facilitators). They will strive to keep discussions academic, and never make it personal.
9. Anyone working at/with Super School India will strive to speak in gender-neutral language, and to imbibe the values of gender equality and gender neutrality in their speech, actions, and thoughts.
10. Anyone working at/with Super School India, in their personal or professional space, will not promote/endorse/support any material/individual/organization, online or offline, that is sexist, racist, offensive to women and their safety, promotes sexual harassment of any gender, or the harassment/stereotyping of any marginalized

community. Failure to follow (10) may serve as grounds for termination of affiliation with Super School India.

11. Anyone working at/with Super School India will strive to follow Super School India's values of quality work, honesty, gender equality, persistence, and empathy inside and outside of their work at/with Super School India.
12. Anyone working at/with Super School India will not engage in any physical or verbal harassment, and will not use any racial, religious, gender-based, or/and any community-based derogatory language. Failure to follow (12) may serve as grounds for termination of affiliation with Super School India.
13. Anyone working at Super School India will bring their own personal laptop for the duration of their work at Super School India.
14. Anyone working at Super School India will not consume alcohol, tobacco, and any other mind-altering substance at the Super School India centre, at Super School India's partner schools, or during Super School India work.
